Town Council Agenda Items

Meeting Date: August 5, 2013

Agenda Item Number: 9a

Subject: Jinks Creek Dredging Project

Summary of Information: During the January 7, 2013 Council Meeting and in conjunction with the adoption of the pier head alignment for the feeder canal, the Council allocated up to \$15,000 for the immediate dredging of the feeder canal at the mouth of Jinks Creek. Staff has received authorization and the permit from CAMA to proceed with the dredging project.

Attached is the proposed RFP for the Maintenance Dredging for the Feeder Canal at the Mouth of Jinks Creek. The project will consist of dredging approximately 10,000 square feet, 993 cubic yards, from the mouth of the canal east into Jinks Creek. Council is requested to approve the Maintenance Dredging RFP for the Feeder Canal at the Mouth of Jinks Creek in order for this project to proceed.
